

BIG BEND COMMUNITY COLLEGE | MOSES LAKE, WASHINGTON

Big Bend Community College is improving their facility's environment through an energy savings performance contract. Apollo Solutions Group presented a comprehensive plan for the college to save significantly on energy costs, reduce maintenance costs and improve overall energy efficiency.

Apollo assisted Big Bend with a \$472,032 Energy Grant from the Washington State Dept. of Commerce. \$64,000 in incentives utilized from a Grant County PUD provided campus-wide interior and exterior lighting upgrades, occupancy sensors installed in offices, classrooms, and work areas.

Results of these changes will be improved learning environment, 16% reduction in annual energy costs, \$27,000 first year total energy and operational savings and positive cash flow throughout the life of the project

Project Summary

- Project Value: \$815,000
