

## CITY OF PATEROS | PATEROS, WASHINGTON

Apollo Solutions Group worked with the City of Pateros staff with review and approval from the state of Washington Department of Enterprise Services to develop this Energy Savings Performance Contract.

Like many government buildings, Pateros' structures were outdated and included aging infrastructure. Lighting, well pumps and heat pump HVAC systems were upgraded, resulting in 12% annual reduction in energy usage.

The energy project allows for increased comfort and reliability of systems as well as positive cash flow throughout life of project.

### Project Summary

- Project Value: \$600,000
- 12% reduction of annual energy use
- Utilization of \$500,000 from State of Washington
- Department of Commerce Grant
- Utilization of \$6,403 from Okanogan County PUD in Rebates and Incentives
- City wide lighting upgrade including pathway lights and tennis courts
- Municipal well pump replacements
- Wastewater pump replacements
- New library heat pump HVAC system
- The addition of the city hall entry weather vestibule
- Improved comfort and improved reliability of systems
- Positive cash flow throughout the life of the project
