

**ST. LUKE'S REHABILITATION INSTITUTE | SPOKANE, WASHINGTON**

Apollo Solutions Group team evaluated the current equipment at St. Luke's to provide an energy savings plan that improves the comfort of patients and employees while improving the reliability of systems and delivering positive cash flow throughout the life of the project. Patients from around the inland northwest corridor come to St. Luke's to get quality therapy when recovering from accidents including brain injuries and other debilitating incidents such as strokes.

Randy Sharshan,  
Director of Facilities,  
St. Luke's Rehabilitation  
Institute

“ Apollo Solutions Group is providing St. Luke's with a turn-key energy performance project that is guaranteed and self-funded. Through our facility upgrade we are reducing energy costs, lowering our costs of operations and maintenance and improving reliability and safety. ”
